Report of Principal and School Improvement Council

This year, Berea Middle School had state report card ratings of average for the absolute rating and average for the improvement rating, indicating that student achievement gains continue and our tagline Hard Work Pays Off are also evident.

Berea Middle School was named the William "Bill" T. Wylie Valued Lives School of Excellence in Diversity, sponsored by the Upstate Diversity Leadership Awards, Greenville Chamber, the Riley Institute at Furman, in partnership with the Anderson, Greer, and Spartanburg Chambers. The award was earned by the school's recognition and support of all of the diverse groups represented at Berea Middle School, including our Project Assist and Sisters Like Me clubs, along with many others, some of which are outlined below.

School-community partnerships continue to provide our students and teachers with much needed school supplies, bicycles for our Berea Spinners, and non-perishable food items for families in need. In a partnership with several different community organizations and businesses, the Berea Spinners Bike Club was continued. This partnership allows students who are loyal bike riders, (bicycles provided), to keep the mountain bikes provided. New riders are added each year. Adult mentors, teachers and community members, ride with the students regularly, and even during the summer. Furman University continued the university student lead, Ladies and Men of Distinction programs at the school. This mentoring program exposes middle school students to the importance and advantages that a college education offers. Furman University also continues to send university student tutors on a regular basis to enrich and augment student learning. Greenville Health System is another major community partner of Berea Middle School, providing food, and much needed school supplies. A weekend backpack program was started this year, in partnership with four churches, provides food for some of our neediest families.

Professional development plays a fundamental role in our instructional process. Teachers are exposed to ongoing technology updates, workshops, and book studies, with focus on teacher-student relationships and implementation of state adopted standards, have, and will continue to be addressed. Professional development is designed according to identified teacher and instructional needs.

Our School Improvement Committee meets on a regular basis, providing our school an avenue in which all stakeholders have a voice. As we continue making gains, our vision and focus remain steadfast on improved student achievement. At Berea Middle School, Hard Work Pays Off!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	66.2
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Berea Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
